

Le COQUIN

PRODUCT OF FRANCE
VIN DE FRANCE

Le Coquin is a collection of three French wines crafted for everyday enjoyment — fresh, fruit-forward, and made to elevate any moment shared with friends and family. Whether it's a backyard barbecue, a beach picnic, or a casual dinner at home, Le Coquin brings a touch of French ease and conviviality to the occasion.

The range includes Red, Rosé and White, available in 750ml bottles:

- Le **Coquin Red** is your go-to partner for charcuterie boards, small bites, grilled meats, and summer cookouts.
- Le **Coquin Rosé** loves vibrant dishes — think fresh salads, chicken skewers, and seasonal vegetables.
- Le **Coquin White** shines as an aperitif and pairs beautifully with seafood, shellfish, and grilled fish.

So... which «Le Coquin» are you in the mood for today?
